Disclaimer: Stated dimensions are measured to the exterior boundaries of the exterior walls and the centerline of interior demising walls. Note that the measurements of rooms set forth in this floor plan are generally taken at the greatest point of each given room (as if the room were a perfect rectangle), without regard for any cutouts. Accordingly, the area of the actual room will typically be smaller than the product obtained by multiplying the stated length times width. All dimensions are approximate and may vary with actual construction, and all floor plans and development plans are subject to change. All depictions of furniture, appliances, counters and other matters of detail, including, without limitation, items of finish and decoration, are conceptual only and are not necessarily included in each Unit. Said items are only included if and to the extent provided in your purchase agreement
